

ELECTRIC STRIPES

ABOUT

Electric Stripes design limited edition neon artworks that are handmade in the UK

The debut collection consists of Rainbow Jet, Heart Balloon and Lipstick City

Rainbow Jet sets a playful and warm hearted tone for the collection bringing something of the outside in

Lipstick City's pink and red skyscrapers bow to New York nights in high heels

The floating lines of Heart Balloon glow in sugar coated pastel pink

CARE

Please treat this artwork with extreme care

Recommendations for cleaning

Ensure the artwork is switched off before cleaning

Use a dry cloth to clean the glass tubing

Spray a small amount of anti static cleaner onto a dry lint free cloth to clean the perspex (anti static spray can be purchased online or the high street)

This artwork is designed to be plugged into a 3 pin mains socket and should not be hard wired into the electricity supply

When switched on this artwork uses the equivalent of a 60 watt light bulb

If used everyday the lifespan is approximately 10 years

HANGING INSTRUCTIONS

*Screws and rawl plugs for fixing the piece to the wall are included
and are suitable for a brick wall*

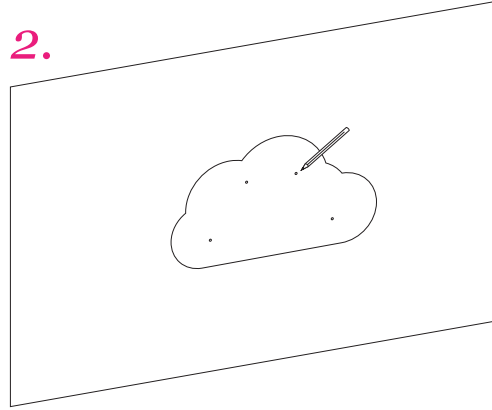

When hanging ensure that a plug socket is nearby

1.

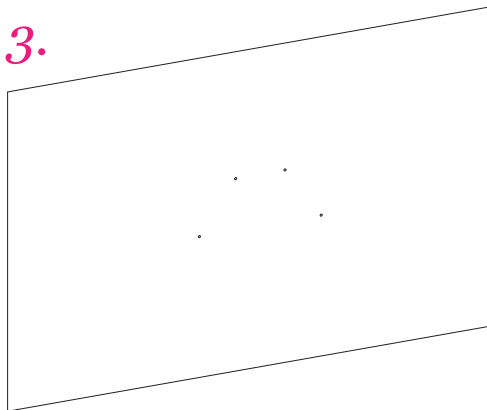

*Use blu tack or tape to place template on wall
ensure template is straight using a spirit level*

2.

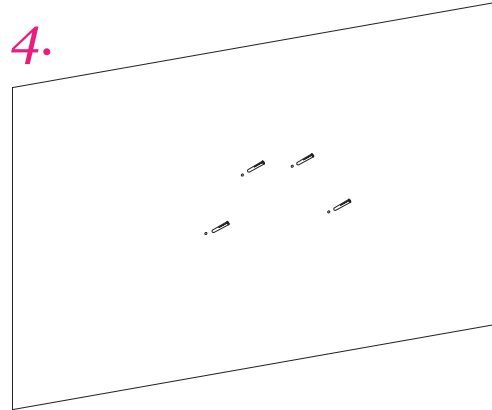

Mark out screw holes on the wall

3.

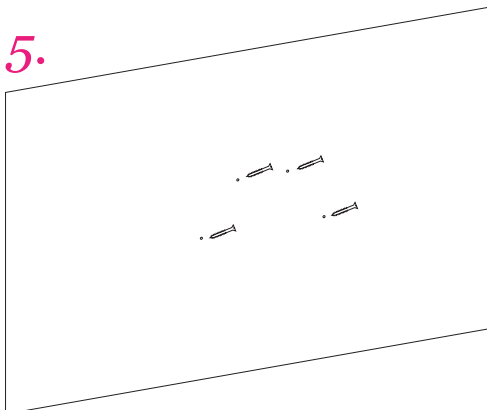

Drill holes big enough to fit rawl plugs

4.

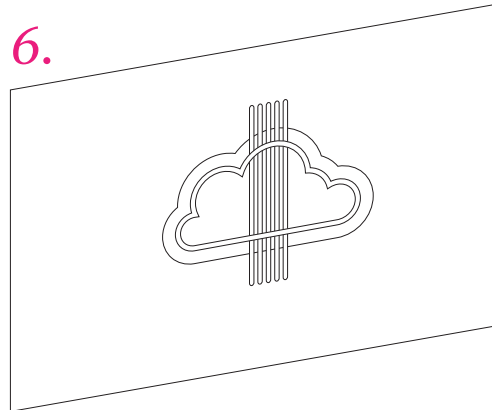

Insert rawl plugs into holes

5.

*Place screws into rawl plugs leaving 1cm of
screw out*

6.

*Mount piece on the screws ensuring all 4
brackets are secure*
